Greetings Shark Students and Families,

The 2010-2011 school year begins for students on Monday, August 16th! We are really excited about the continued growth our school demonstrated based on early data released from D.O.E. on FCAT. This year we plan to offer Academic Intervention during the school day for our students struggling in their academic classes. We plan to offer thirty minute sessions on Monday, Tuesday, Thursday and Friday during lunch for specific, direct instruction or remediation. These sessions will be held in the classroom teacher's room. After school help will be offered Monday-Thursday from 3:00-4:30 in the media center. Mrs. Cochran and our two Academic Service Clubs, National Honor Society and Fin'esse, will be available to help students for all subject areas.

Our first SAC meeting will be Tuesday, August 24th in the media center at 5:30 pm. All parents are welcome to attend to learn more about Atlantic High School.

New this year, for all high schools, is the Pinnacle Grade Book. All of our teachers will be using this new technology software program to input student grades daily/weekly. Parents will have access to this new program within the first weeks of school, much like our Web Grade program from last year. Keep tuned in to this program and stay on top of your student's progress all year. Check out our new communications piece called ESI Text. It is an opportunity for me to send out a text message to parents, students, and faculty on a more frequent basis. All you have to do is follow the instructions on the Web page to "opt in" and then I can begin to send you updated information important to the school and your student.

I hope all is well for you and your families and I look forward to a very exciting and rewarding school year.

Make every day a great day!

Respectfully,

Ronald S. Pagano
Principal

Mr. Ronald S. Pagano
Principal

Mr. Efrain Alejandro
Assist. Principal

Mrs. Patricia Moy
ESE Administrator

Dr. Alicia Parker
